

	From Our District Governor Creating a Vibrant Game Plan By Mary Ligon We have had a great start to our new Rotary year! Many of you have embraced our Youth and Peace in Action initiative; there's still time for more of you to join in - see the article later in the newsletter. District Grant projects are underway in your local communities. And soon we will be in SanDestin, renewing friendships and celebrating all that we did in 2020-21 under Kirk's leadership - and all we can accomplish going forward. This month, Rotary focuses on Membership. RI President Shekhar Mehta has a special initiative called "Each One, Bring One" designed to expand our reach and ability to do good in the world. He says "Rotary is a vibrant organization that has spread to nearly 200 countries and geographical areas and has a rich legacy of fighting to end polio. Don't you think we could have a greater impact on the world if more people were practicing Service Above Self? Members like you are our greatest asset. But for the last 20 years, Rotary membership has remained stagnant. Through a program I am calling Each One, Bring One, I ask each of you to commit to welcoming one new person into Rotary or Rotaract in the next 12 months." [more]

We're going to talk about that and more in a special Saturday morning experience in SanDestin, where we're hosting Vibrant Club huddles. I hope you will join in as we focus on developing new plays for

- delivering exceptional club experiences to our members
- forming new clubs with new formats
- attracting former and new members

- serving our communities, and
- much more!

Pick up new ideas, share your successes, and discuss ways to create value for your members. We will have a variety of subject matter experts available to answer questions. Come be part of the huddle!

And thanks for all you do as Rotarians to be a vibrant part of your communities and the world as we serve to change lives!!

Membership

Membership Growth Starts with The Ask

August is

As a president or membership chair, if you personally ask each member to bring a new member into the club – in an eyeball-to-eyeball conversation over breakfast, lunch, coffee, adult beverage or 2-way telephone conversation – you'll make progress. You can use this sample script in your "personal ask" to members:

- "Is this an OK time, or are you tied up with something?"
- "We have a great Rotary club..."
- "At its current size its long term sustainability is in jeopardy..."
- "We could do a whole lot more for our community with 10 more members..."
- "I need your help to get there -- I need you to bring in one -- only one -- member into our club in the next three months."
- "Can I count on you doing this not only for the club but also for me?"
- "How can I help you get a list together of people you can invite to one of our meetings?"

The intentional part is the personal part. It's not an "anonymous" request like a podium announcement or an email broadcast. In those cases, members many times think, "Someone else will do that -- I don't really

need to." Take the opportunity to really get everyone involved.

Welcome New Members!

Shout out to the following clubs for adding new members in the first month of this new Rotary year (pictured from top left clockwise):

- **Griffin** - Paul Sinor
- **Americus** - Roger Bivings and Ty Kinslow
- **Bremen** - Jerry Morris
- **Carrollton Dawnbreakers** - Ryan Sammon, Marla Turpin, Jeremy Moore, Kiley Thompson, Bo Haynes, Jasmine Hilton, Bryce Haney

Alpharetta Rotary Seeks Partners for Brazil Project

Alpharetta Rotarian Bob Koncerak recently returned from his third trip to Brazil, during which he met with members of Rotary Oeste (D4680) to discuss a proposed project to equip a Down center facility in Pelotas, Rio Grande de Sul.

The project is progressing quickly: city officials have granted a 1.25 acre parcel of land, an architect has presented facility plans, and phases of construction have been proposed. The community enthusiasm for this project is impressive!

Rotary-Oeste has offered to host D6900 members for a visit to beautiful southern Brazil and Iguazu Falls later this year. The purpose of the trip is to further D6900's engagement for D4680's work in the community, visit the club's ongoing projects and treat us to a "bucket list" visit to incredible Iguazu Falls. The strength of the US dollar to the Reis will make this a surprisingly affordable adventure. The proposed time for the trip is mid-November (likely the week of 11/14-20).

The Alpharetta club will host a Zoom call in mid-August to discuss the project, review an itinerary and travel plans. For more information, contact Bob Koncerak @ RDAHKoncerak@yahoo.com.
