Celebrating Rotary's Commitment to a Healthier World

By Kirk Driskell
I hope that you all had a great Thanksgiving. It was great to gather with family and friends giving thanks. I had mixed emotions throughout the day as it was different than years past. While I could have focused on what and who was missing, I chose to focus on the opportunity that we had and who was there. As this year comes to an end, I have confidence that next Thanksgiving will look more like years past. In part that is because of Rotarians like you who are dedicated to fighting and preventing disease.

Words of Inspiration This Holiday Season

By Gregory Adams

I always like to give honor to whom honor is due - and that includes my wife Jacqueline as well as District Governor Kirk Driskell, the Assistant Governors and all the Presidents of Rotary, especially Lawrence Short, the Interim President of South DeKalb Rotary. I call him a friend, and a true leader who considers others above himself. I'm reminded that to whom much is given, much is required. So with that being said, we expect nothing but greatness under the leadership of all of these people.

I'm also thankful that Rotary has been at the front of helping and providing for so many families during this Holiday season by giving so that others may have. This organization has helped so many people young and old, male and female, and of all nationalities, showing what brotherly and sisterly love is all about.

As we prepare for the New Year, we trust and hope that everyone stays safe and enjoys time with family and friends. Thank you Rotarians and Happy Holidays!

GRSP Perspectives

A Traditional Russian New Year by Lida Kalustova, Russia (GRSP Class of 2014-2015)

By Ian Bond
New Year is a big holiday in Russia. Families gather for a big feast and a celebration. Christmas is celebrated on January 7, but usually it is just a quiet family evening. The celebration usually begins in the evening because December 31 is not a holiday. Families get together and around 9:00 pm when the feast begins. Many people believe that the tables must be overloaded with food so that the New Year will be rich and fruitful. The main dishes on the table are salads, potatoes, meat, often red caviar, and champagne. There is a belief that the better you "greet" the New Year, the better it will "treat" you. So, people dress up in their best outfits, throw away old and broken things, and try not to borrow or return money around the holidays.

**Thomasville
Rotary
Ignites A
Spark**

By Carol Jones
Many who know Thomasville will agree it is an incredibly special and beautiful community. What seems to set it apart is a spirit of commitment by its citizenry to provide opportunities in all facets of life to those who wish to participate. One important contributor to this commitment is the **Rotary Club of Thomasville.**

This year Rotary Club President John Brown has chosen to direct the club's \$1,500 District Grant funds to do good locally. John tapped SPARK Thomasville to receive these funds which will assist budding minority entrepreneurs to launch their businesses from a solid foundation. Also highly involved in SPARK Thomasville are Rotary past presidents Andre' Marria and Teri White, as well as a host of other local Rotarians who serve the program as mentors, coaches and judges.

Serving During
the Pandemic
**Fayette
Daybreak
Partners
with Real

Center**

By Lee Dodds
These are challenging times for all of us, and like other Rotarians, our **Fayette Daybreak Club** has been looking for ways to serve our community while staying safe during the pandemic. In September, we held a food drive and all of our members took part. Some of us collected canned goods, others made online donations or donated gift cards. Some made donations through food drives at their churches, collected items from neighbors and friends, or checked with local schools about families in need. One of our newest members contacted her friends at Delta Cargo who donated \$500 plus several large boxes of non-perishable food items.
