

DG Steve in Honduras

From Our District Governor

A Season of Growth, Service, and Connection

By Steve Ivory
As we move into April, we find ourselves in one of the most exciting and active seasons of the Rotary year. With spring in full swing, this is a time of renewed energy, continued service, and strong momentum across District 6900. As I continued to travel around the district, I had my last "official visit" with Emory Druid Hills, traveled to Honduras with Atlanta Rotarian Bob Hope and Rotarians from eight clubs, helped Roswell celebrate 75 years and \$2 million in contributions to The Rotary Foundation, honored teachers and Rotarians at the DeKalb Rotary Council breakfast, attended Peach State PELS training for next year's leaders, and more! And there's so much more coming this Rotary year - read on to learn about new Rotary and Rotaract Clubs, our April 11 District Learning Assembly and District Conference at Lake Lanier.

Up and Over!

by Bob
Hagan,
District
Foundation
Chair

By Bob Hagan
How wonderful it is that month after month we have something to celebrate! This month it may seem oddly self-serving, but I certainly am pleased to do so for this. My home club, the **Rotary Club of Roswell**, has exceeded the \$2 million mark for total giving all time. Roswell is the second club in the district to attain that level. The first to do so, very appropriately, was the **Rotary Club of Atlanta**, as they are the oldest club in Georgia. As the District Foundation Chair, my role is to help raise and track the funding coming into The Rotary Foundation; let me share some of the numbers and encourage you to keep pushing on Foundation giving to make an even bigger difference in the future. RYLA Update

One Day for RYLA

By Jaclyn Donovan

Hey Rotary District 6900 members! Do you ever wish you could experience RYLA for yourself? Do you want to peak behind the curtain and see where all the magic happens each summer? If you answered yes, and if you can give us just *One Day* of your summer we can make the magic happen for you too!

We are always looking to bring new Rotary members into the wonderful world of RYLA, offering the opportunity to experience the RYLA energy and explore a new avenue of Rotary service.

Chaperones help us keep things running smoothly each night and each morning but have no assigned duties during the day. We think you are perfect for the job! If you are willing and able - even just for 1 day out of the 4 - to give us One Day for RYLA we would love to have you! And you never know, it just might change your life too. Reach out to Jaclyn Donovan or Susan Ruckman for more details and they'll sign you up!

Roswell: Celebrating 75 Years of Making a Difference

By Trummie
Patrick, III

*"Gratitude is not
only the greatest of
virtues, but the
parent of all the
others." Cicero*

There are moments
in life when "thank
you" doesn't feel
like an adequate
response. Saturday
night, March 14,
was one of those
moments. As I
stood in a room
filled with more
than 200+
Rotarians
celebrating the
75th anniversary of
the **Roswell
Rotary Club**, I
couldn't help but
feel a deep sense
of appreciation.
Appreciation for
the people in that
room, for the
generations who
came before us,
and for the
privilege of leading
this club during
such a meaningful
year. [more]

Peachtree City, Tyrone and Senoia Make Beds for Children

By Jason Aldrich
Rotarians experienced an incredible day of service in action this March. Our friends at Sleep in Heavenly Peace are on a mission to make sure no child sleeps on the floor, and the need is real — they built and donated over 400 beds last year, yet more than 200 children in Fayette County are still waiting for a bed of their own. Thanks to a **Peachtree City Rotary** grant, we were able to fund materials for 20 beds, and we were proud to host the build at Cooper Lighting Solutions. We also loved partnering with the **Rotary Clubs of Tyrone and Senoia**, [more]
